

## **Job Description: Occupational Health Technician**

Wellness International Ltd has an exciting opportunity for an Occupational Health Technician to join their team.

The job holder will be responsible for the delivery of health surveillance, fitness for work medicals and health promotion to an array of clients.

These assessments will be carried out onsite at our client's locations throughout the UK and Ireland in a suitable room or in one of our mobile medical clinics. Responsibilities may include, but not limited to:

- Health Questionnaires
- Audiometry Assessments
- Vision Assessments
- Skin Health Assessments
- Spirometry Assessments
- Blood Pressure Assessments
- Urinalysis
- Hand Arm Vibration Assessments
- Muscular Skeletal Assessments
- Drug & Alcohol Assessments
- Phlebotomy
- Wellbeing Assessments
- Health Promotion
- Driving a mobile screening unit

Experience in the above areas would be desirable but is not essential as all training is provided.

This is a field-based role which requires extensive travel locally, regionally, and occasionally internationally, throughout the year. This role includes overnight stays and working away from home for up to 4 nights a week.

You will need to be a 'self-starter', capable of working under your own initiative with appropriate guidance and direction. You will need to be organised and have good time management skills. The ideal candidate will complement the WI Ltd. current team in delivering great services to a high standard to meet client's personal and customer needs.

## Benefits

- Competitive Salary
- Company Car (Fully maintained and insured) + mileage
- Company Pension Scheme
- Wellness programmes
- Overnight Travel Subsistence
- Holiday entitlement of 23 days + Bank Holidays
- Corporate Health Cash Plan Scheme

## Requirements

### Essential:

- Over the age of 21, with a minimum of 3-years driving experience
- Valid UK Driving License
- Able to complete overnight stays and extensive travel throughout the UK & Ireland (overnight stays up to 4 nights Monday – Friday depending on client requirements)
- Applicants based in the Northwest or willing to relocate
- IT literate.
- Strong interpersonal skills and ability to relate to a wide range of clients.
- Excellent communication skills.
- Experience and/or willingness to drive vehicles up to 3.5 tonnes

### Desirable, but not essential:

- Experience of working in healthcare / occupational health
- First Aid Trained
- Phlebotomy / Venepuncture experience
- Certificate in Fitness Instructing
- Certificate in Nutrition

Only candidates selected for an interview will be contacted.

### COVID-19 considerations:

All employees are provided with PPE and the appropriate risk assessments are undertaken to keep employees covid secure while at work.
